MCh (Orth) Dundee

PELVIC & ACETABULAR SYMPOSIUM 2019

Wolfson Lecture Theatre - Guest Speakers
Clinical Skills Unit - Saw bone Workshops

Ninewells Hospital & Medical School
University of Dundee

Friday 3rd May 2019, 8:00am ~ 5:00pm

A symposium where you will learn from the experts. Tips and tricks and current concepts on pelvic and acetabular fractures for MCh (Orth) and Postgraduate students, Trainees, Physiotherapists and Consultants

Organisers: Mr A. Jariwala & Professor R. Abboud
Guest Speakers: Professor A. Elhance, Dr R. Sen (International), Mr N. Shah, Mr M. Acharya (UK) Mr B. Clift, Mr F. Alipour, Mr G. Avison (Local)

SYMPOSIUM SPONSORED BY Stryker®
Friday 3rd May 2019, 8:00am ~ 5:00pm
Wolfson Lecture Theatre, Ninewells Hospital & Medical School

8:00am - 8:30am
Registration

8:30am - 8:35am
Welcome ~ Professor Rami J. Abboud

Pelvic Fractures
- Making sense of pelvic injuries - Pathobiomechanics
- Emergency Management of Pelvic Fractures
- Anterior Ring Fixation - Pubic Symphysis and Ant. SI Joint plate fixation
- Lateral Ring Fixation - Ilio-sacral screws
- Posterior Ring fixation - Post tension band plate and lumbopelvic fixation
- Lessons from Outcome studies for Pelvic fractures

Coffee Break

Acetabular Fractures
- Understanding Acetabular fractures - Pathobiomechanics
- Radiology and classification
- Understanding classification on bone models

Surgical Approaches - Video Session
- Kocher Langenbeck Approach with and without GT Osteotomy
- Ilio-Inguinal Approach | Stoppa’s approach | Ilio-femoral approach

Lunch

Fixation corridors in Acetabulum
- Posterior wall and Posterior Column fractures
- Anterior Column and APHT fractures
- Transverse and T- fractures
- Associated both column fractures
- Geriatric fractures - Changing paradigms
- THA in Acetabular fractures

Case Discussion session

4:50pm - 5:00pm
Vote of Thanks ~ Mr Arpit Jariwala
